Membership Request Form

As you know RAGLM, Inc. depends on its members to help build a strong backing that will allow us to have a louder voice with the county as it plans and develops our area. The more united we are, the more the county will take us seriously when we speak to them about their agreement to keep this area rural. The General Plan states that our area is for livestock, agriculture and rural residential living. Our years of service to the community (since Feb. 2001) as well as our finances from donors like you, help give us more political clout.

We hope you will support us with your \$20.00 annual membership. The board is always available to its members and willing to help with any issue you may have in our community. We will continue to line up speakers on important issues in our area. We will continue to speak on behalf of our membership at county hearings as we have always done in the past. We hope we can count on you to help keep our beautiful area rural. Please send us your support today.

ONLY PAID MEMBERS ARE ELIGIBLE TO RUN AS OR VOTE FOR BOARD MEMBERS
